

Updated Fee Information (Effective September 1, 2024) Your fees are guaranteed for six months from the start of services. After six months, fees may change to current rates if necessary.

Free 15-Minute Information Sessions: If you have questions about our services, we offer a free 15-minute session to see if we're the right fit. To speak with a specific therapist, you can book a 30-minute session for \$35 to discuss fit and background (not an assessment or consultation). Call us at 902-580-1060 to book.

Treatment Fees:

In Clinic	1 hour	\$125
In Community- within 30 minutes of city centre	1 hour	\$150
In Community- outside of 30 minutes from city centre	1 hour	\$150 plus travel costs

Note: Each one-hour session includes 50 minutes of direct client care and 10 minutes allocated for charting and administrative tasks.

Supplemental Services may be required for long term contracts: Supplemental Support is time to be used flexibly as per the therapist's discretion over the duration of the contract. Supplemental support includes but is not limited to: appropriate follow up and communication with family/ carers, teaching staff and/ or other professionals, creation of resources and programs, research and preparation for treatment sessions, scoring and analysis of assessments and report writing. This work is critical to providing consistent and effective services to meet the client's needs and goals, and is an important part of the therapeutic process without which benefits from therapy may be impacted. These hours will only be used and charged if needed.

Professional services including writing letters, filling out forms, phone calls, etc. under 30 minutes are \$40. Reports written are billed at \$125 per hour.
